Log into Skyward Student Access and select the schedule option in the menu
Select "Request Courses for 2018-2019"

In the "Available Courses" on the left, select the course you want to request. Select "Add Course". The newly added course will appear on the right side in "Selected Courses". If you want to remove a course, highlight it and click "Remove Course"

After you select your requests, switch to the "Request Alternates" to add your alternate course requests. You can use the up and down arrows to rank your alternate requests

When you are finished, click on the red X in the corner
